CORE COMPETENCIES

Business Partner Solutions, Inc. is a 16-year-old, leading cybersecurity consulting organization that designs and executes strategies to address clients' complex information security challenges. The BPS team acts as Cybersecurity Trusted Advisors; we assist our clients in making technology purchases around risk, security, governance, and compliance. We specialize in delivering comprehensive solutions in the emerging, but proven technology space.

OUR GOAL

To empower enterprises to achieve an in-depth security posture, manage corporate risk, improve compliance, attain proactive detection, and prevent security threats to their computing infrastructure, data, and applications.

EXPERTISE

CLIENTS

(include but are not limited to)
